

Hi Neighbor!

Warm greetings from Dance Music Creation Studios! Located on Goldenrod Place in Wyndhurst, we have been a fixture in Lynchburg for more than two decades. Each week nearly 200 families are in and out of our studio. We'd love for your business to have the opportunity to inexpensively reach this target audience.

Each year we produce a full color studio yearbook. This book is magazine bound and kept as a keepsake, as you would keep an annual school yearbook. It is pre-ordered by our student body, but also contains the program details of our spring recital and will be on hand at all three of our recital performances. We will also have copies available in each of our three lobbies throughout the 2022-2023 dance year.

The following ad sizes and prices are available:
