

# Performance Eye Make-up Instructions

1. Swipe light base color all over eye area.

2. Apply medium color on lid only.

3. Add darkest color on outside of lid & crease.

4. Highlight inner corner and under brows.  
Use white pencil for highlights. Smudge lines with finger, q-tip or small sponge applicator.

5. Blend shadow & line eyes with darkest shade.

6. Make 2 thin flicks with black liner  
Use white pencil to highlight between flicks.
